Sustainable Selfcare*

**No one does AYURVEDA
better than BIOAYURVEDA!**

ORGANIC LUXURY | ZERO SYNTHETICS

All our products are manufactured in India with 100% organic herbs, plants and natural nutrients, free of any chemicals or synthetics. With top global quality certifications, we offer a trusted and comprehensive ecosystem of enabling everyday selfcare with natural products, addressing all kinds of lifestyle challenges and concerns and empowering your health, healing, wellness & wellbeing.

With purest ingredients and potent formulations, our unique combinations provide rapid rejuvenation, raising your self-defense sustainably against everyday stressors like pollution, stress, fatigue, allergies and side effects of chemical treatments, among others. With BIOAYURVEDA, you can thrive with health and live life to the fullest.

All our products are purely 100% organic and natural - free of concerning chemicals and synthetics. With top international quality certifications including USDA, WHO GMP, ISO and others, we offer the most comprehensive and trusted ecosystem of healing remedies from Ayurveda for your abiding selfcare and healthy lifestyle.

No one does AYURVEDA better than BIOAYURVEDA!

With vast knowledge base of Ayurveda and experts, organic certified ingredients, vigorous R&D for constant product innovation, rigorous quality control for purity and potency, and user feedback through direct sampling, we bring the best of Ayurvedic natural remedies for your health, healing, wellness and wellbeing.

Commitment to No Chemicals: Where there's a Will, there's a Way !

Committed to health and wellness, we are unrelenting in our pursuit of sustainable selfcare and commitment to zero synthetics and chemicals. Where there's a will, there's a way!

Addressing the great challenge of lifestyle disorders manifesting in epidemic proportions worldwide, we do not subscribe to the use of chemicals like in synthetic bases, petroleum jelly, alcohol, synthetic soaps and surfactants, artificial additives, and other chemicals of concern.

Our **skin & personal care** products are made with the purest of herbal and organic ingredients, and we ensure:

No Sulphates/ No Paraben/ No Phthalates/ No Petrochemicals/ No Synthetic Soap/ No Synthetic Cream Base/ No Alcohol/ No Silicone/ No Mineral Oil/ No Petroleum Jelly/ No Microbeads/ No Formaldehyde/ No Talc/ No Carmine/ No Aluminium/ No Animal Testing/ No Artificial Color, Perfume or Preservatives. 100% Natural Preservatives & Essential Oil Aromas.

Our ayurvedic **Supplements** comprising capsules, tablets and drops, as well as **Superfoods** including whey and vegan protein smoothies and mixes are purely herbal and organic, free of artificial additives as we ensure:

No Hydrogenated Oils/ No Trans Fat/ No Corn Syrup/ No Gelatin Coating/ No Refined Sugar/ No Artificial Sweetener/ Non-GMO/ No Animal Testing/ No Artificial Additives/ Flavor/ Color. 100% Natural Preservatives & Binders. Vegetarian, Dairy/ Whey/ Vegan Options.

In our skin and personal care, we make our own natural bases and organic blends using in a variety of ways pure Cocoa Butter, Shea Butter, Coconut Oil, Aloe Vera, Natural Oils, Beeswax, Soapnut among others. Our natural aromas are derived from pure Essential Oils. Natural Oils and Extracts serve as preservatives.

ABOUT BIOAYURVEDA

BIOAYURVEDA is a visionary holistic luxury brand in health and wellness offering completely natural and organic products with unique herbal formulations for skincare, personal care, nutrition and nutraceuticals that serve to protect health, stimulate healing, uplift energy, balance emotions, offer anti-ageing nourishment, detox and curb stress: empowering lives with health and wholesomeness Committed to sustainable selfcare, our ingredients are completely natural and organic, free of chemicals and synthetics. In packaging, our glass bottles are fully recyclable and our wooden boxes are eco-friendly and reusable. Copper caps offer a touch of tradition, synonymous with power of protection.

AYURVEDA literally means the knowledge of life and longevity. With a deep understanding of Nature's healing prowess, it offers exhaustive research developed and documented over thousands of years of trial and testing by seekers and seers of yore regards therapeutic benefits of plants, fruits, stems, roots, leaves, flowers, seeds, grains, spices, oils, minerals and other nutrient sources found in Nature.

BIOAYURVEDA brings to you the full spectrum of the best of Ayurveda with organic ingredients and zero synthetics in vegan and vegetarian option. Offered as a holistic ecosystem across the categories of Supplements, Skin+Soin, and Superfoods, these address diverse daily needs of our wellness and wellbeing, naturally.
